Voter

To add voter you click on the voters Icon on the leftmost part of the application under the Manage Menu

The main window will open

The screenshot shows a web application window titled "Voters List". In the top right corner, there is a breadcrumb trail: "Home > Voters". On the left side, there is a blue button labeled "New". Below this, there is a "Show" dropdown menu set to "All" and a search bar labeled "Search:". The main area contains a table with the following headers: "Student Name", "RegNo", "Photo", "Voted ID", and "Tools". The table is currently empty, displaying the message "No data available in table". Below the table, it says "Showing 0 to 0 of 0 entries". At the bottom right of the table area, there are "Previous" and "Next" buttons. The footer of the application shows the text "Voters(2025)".

The main window will enable you to add a Voters by clicking on the New in the popping up small dialog b

The screenshot shows a modal dialog box titled "Add New Voter" with a close button (X) in the top right corner. The dialog contains four input fields: "RegNo", "Student Name", and "Password", each with a corresponding label to its left. Below the "Password" field is a "Photo" label and a file selection interface consisting of a "Choose File" button and the text "No file chosen". At the bottom left of the dialog is a "Close" button with an X icon, and at the bottom right is a blue "Save" button with a floppy disk icon.

after adding the voter you can also edit or delete the candidate as well
